

Activation Portal

Steps to Activate Your License

1. Check your email

After your purchase, you will receive an email with your **activation code**.

ORDER #9999

Your activation code : 820982911946154508

[Download Invoice](#)

[View your order](#)

[Activate your license\(s\) now](#)

2. Access the Licensing Portal

Navigate to the [Licensing Portal](#).

3. Login

In the portal, enter:

- The **email address** used during checkout
- Your **activation code**

Then click **Activate**.

5. Generate the license

Paste your **Locking ID** into the Licensing Portal and click **Activate**.

To activate license for the product Camera Tools, please provide your locking ID below

Activate

A **license code** will be generated for your device.

6. Install the license

Copy the generated license code into your plugin's **Properties** pane.

If you are also licensing a **Backup Core**, repeat the process using your second license.
